THE 1950

LORE

Published by the Senior Class
LEWISTOWN HIGH SCHOOL
Lewistown Pennsylvania

The graduates of 1950 proudly present to you a pictorial and editorial view of OUR WORLD as seen through the pages of this book from—

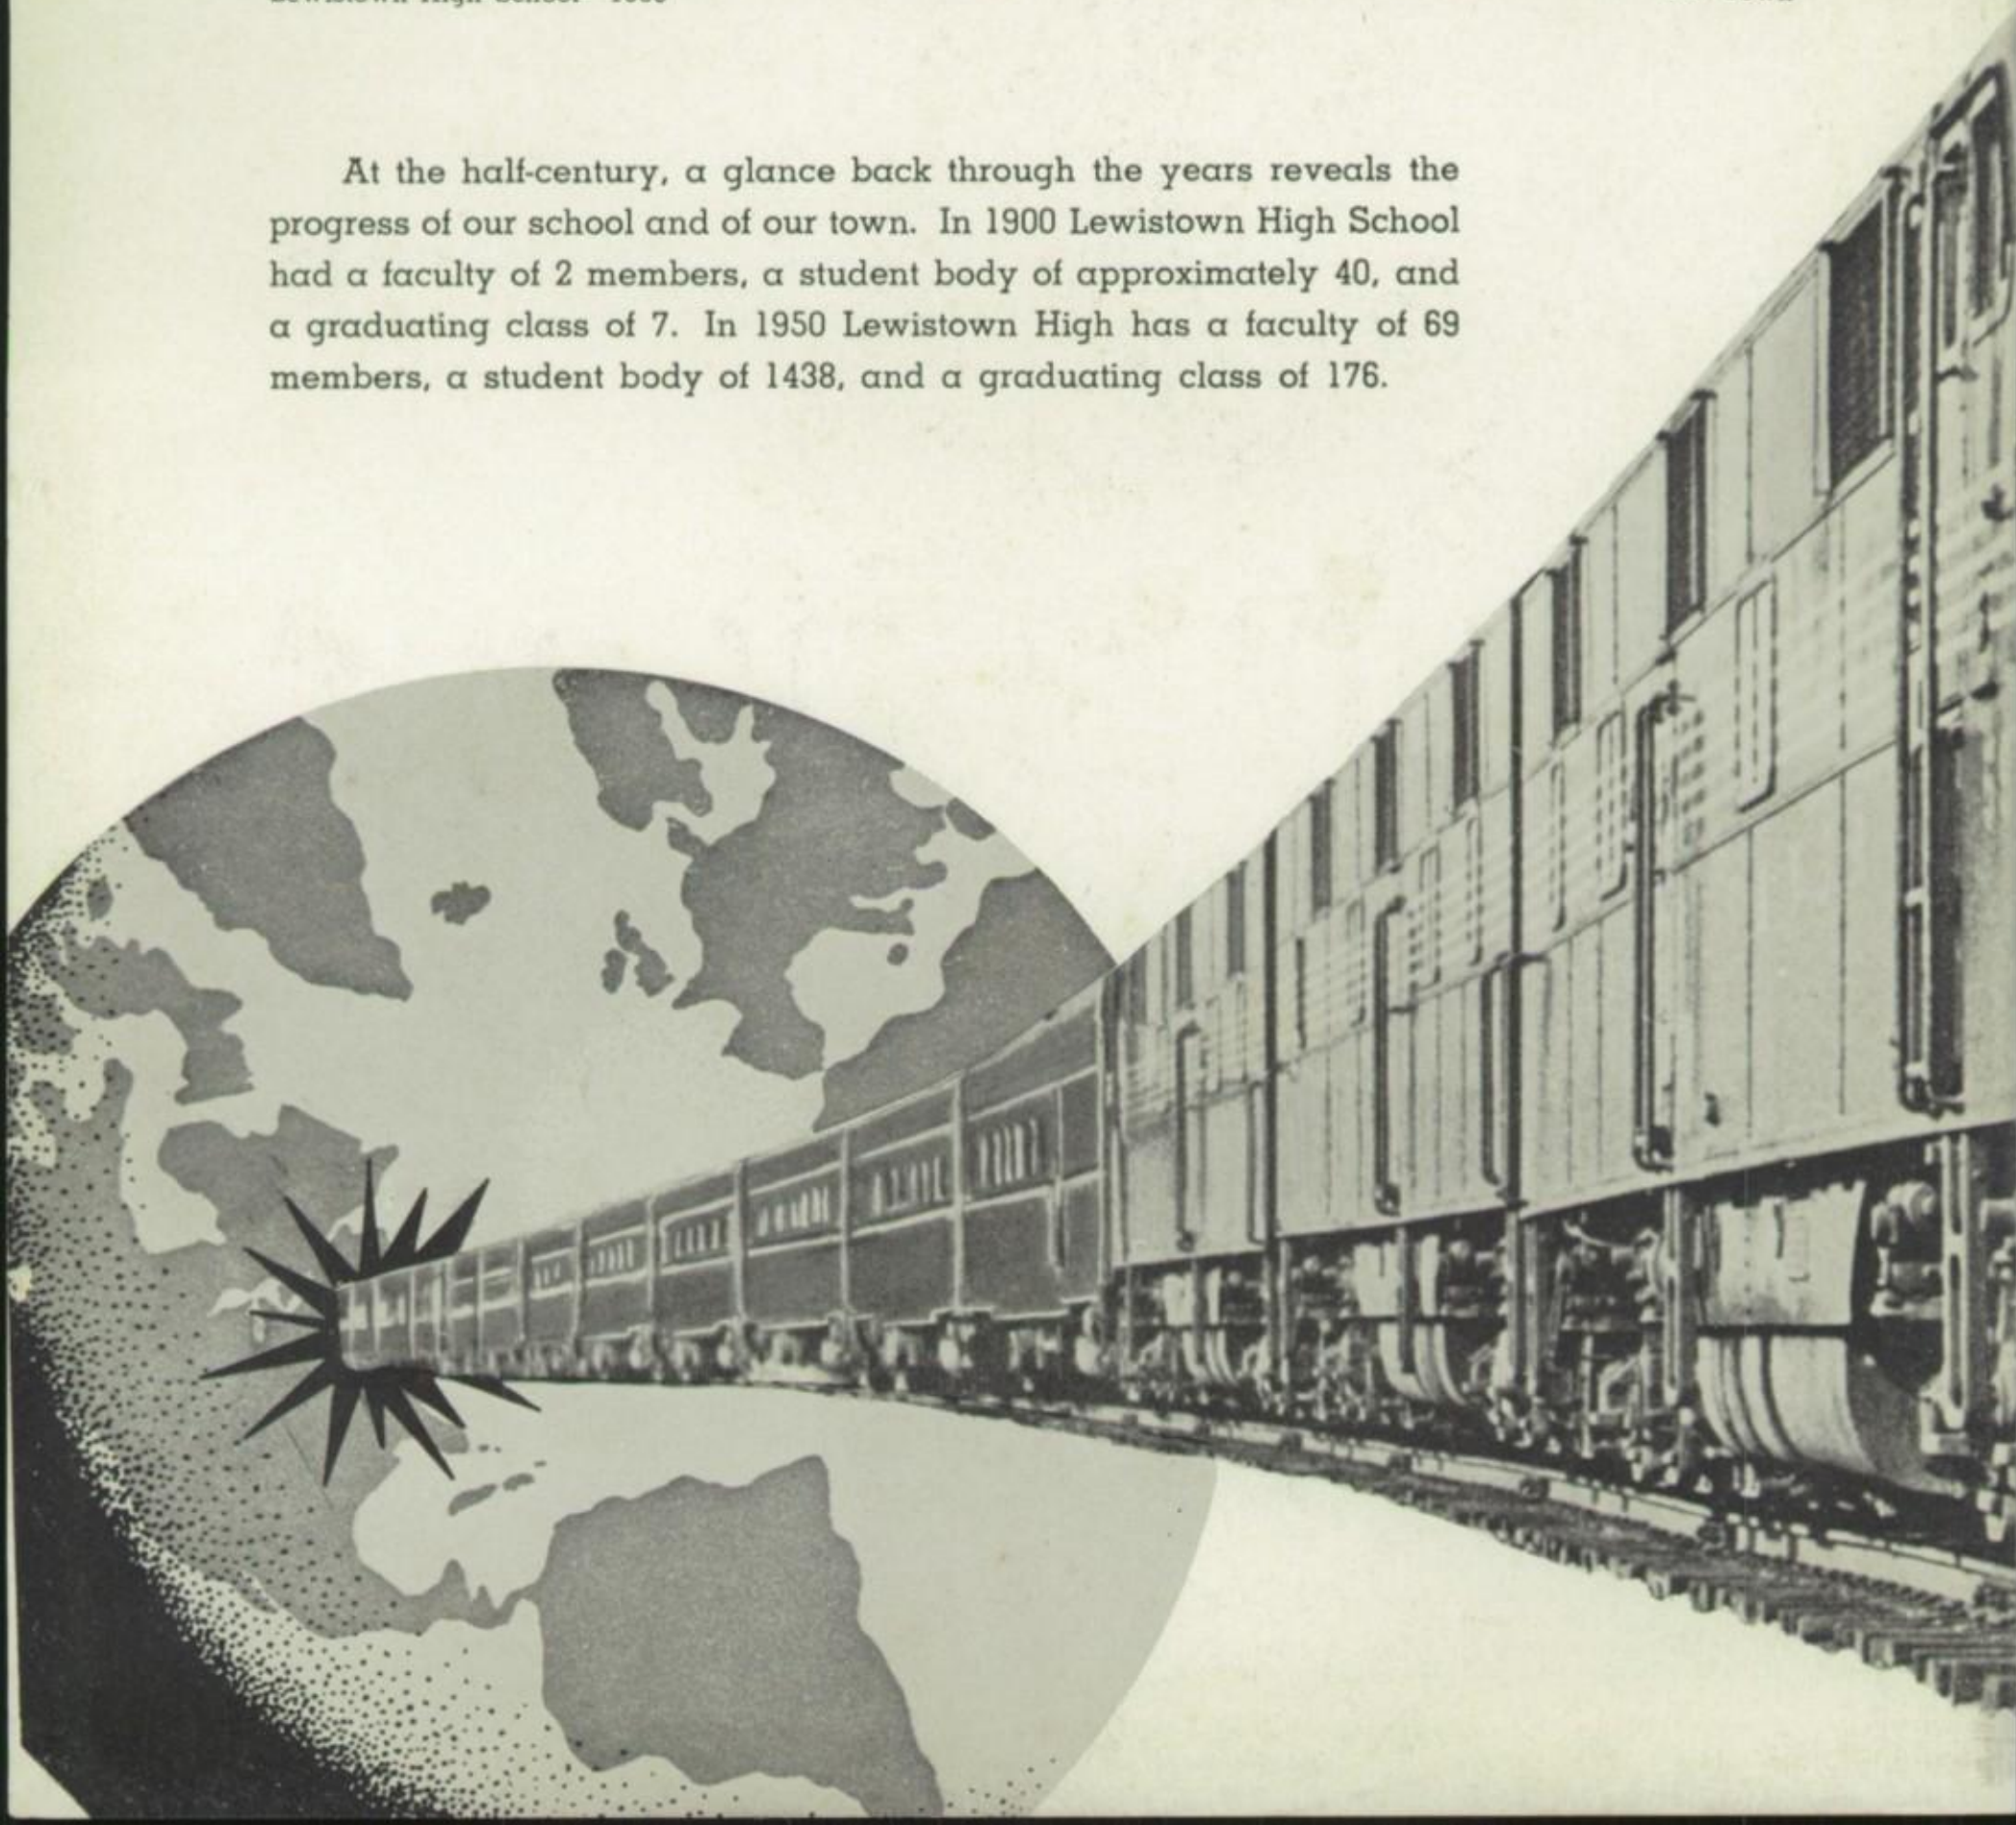

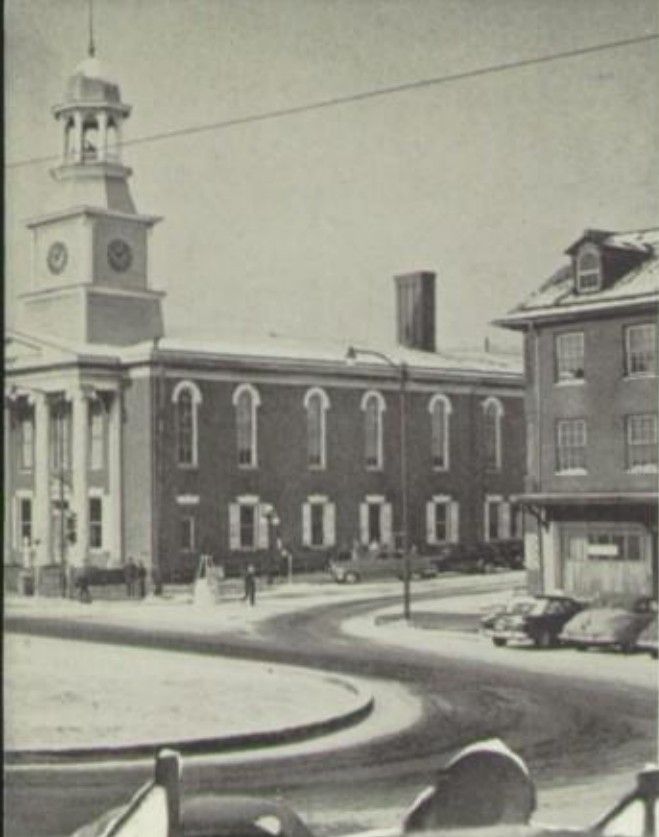

Lewistown High School—1900

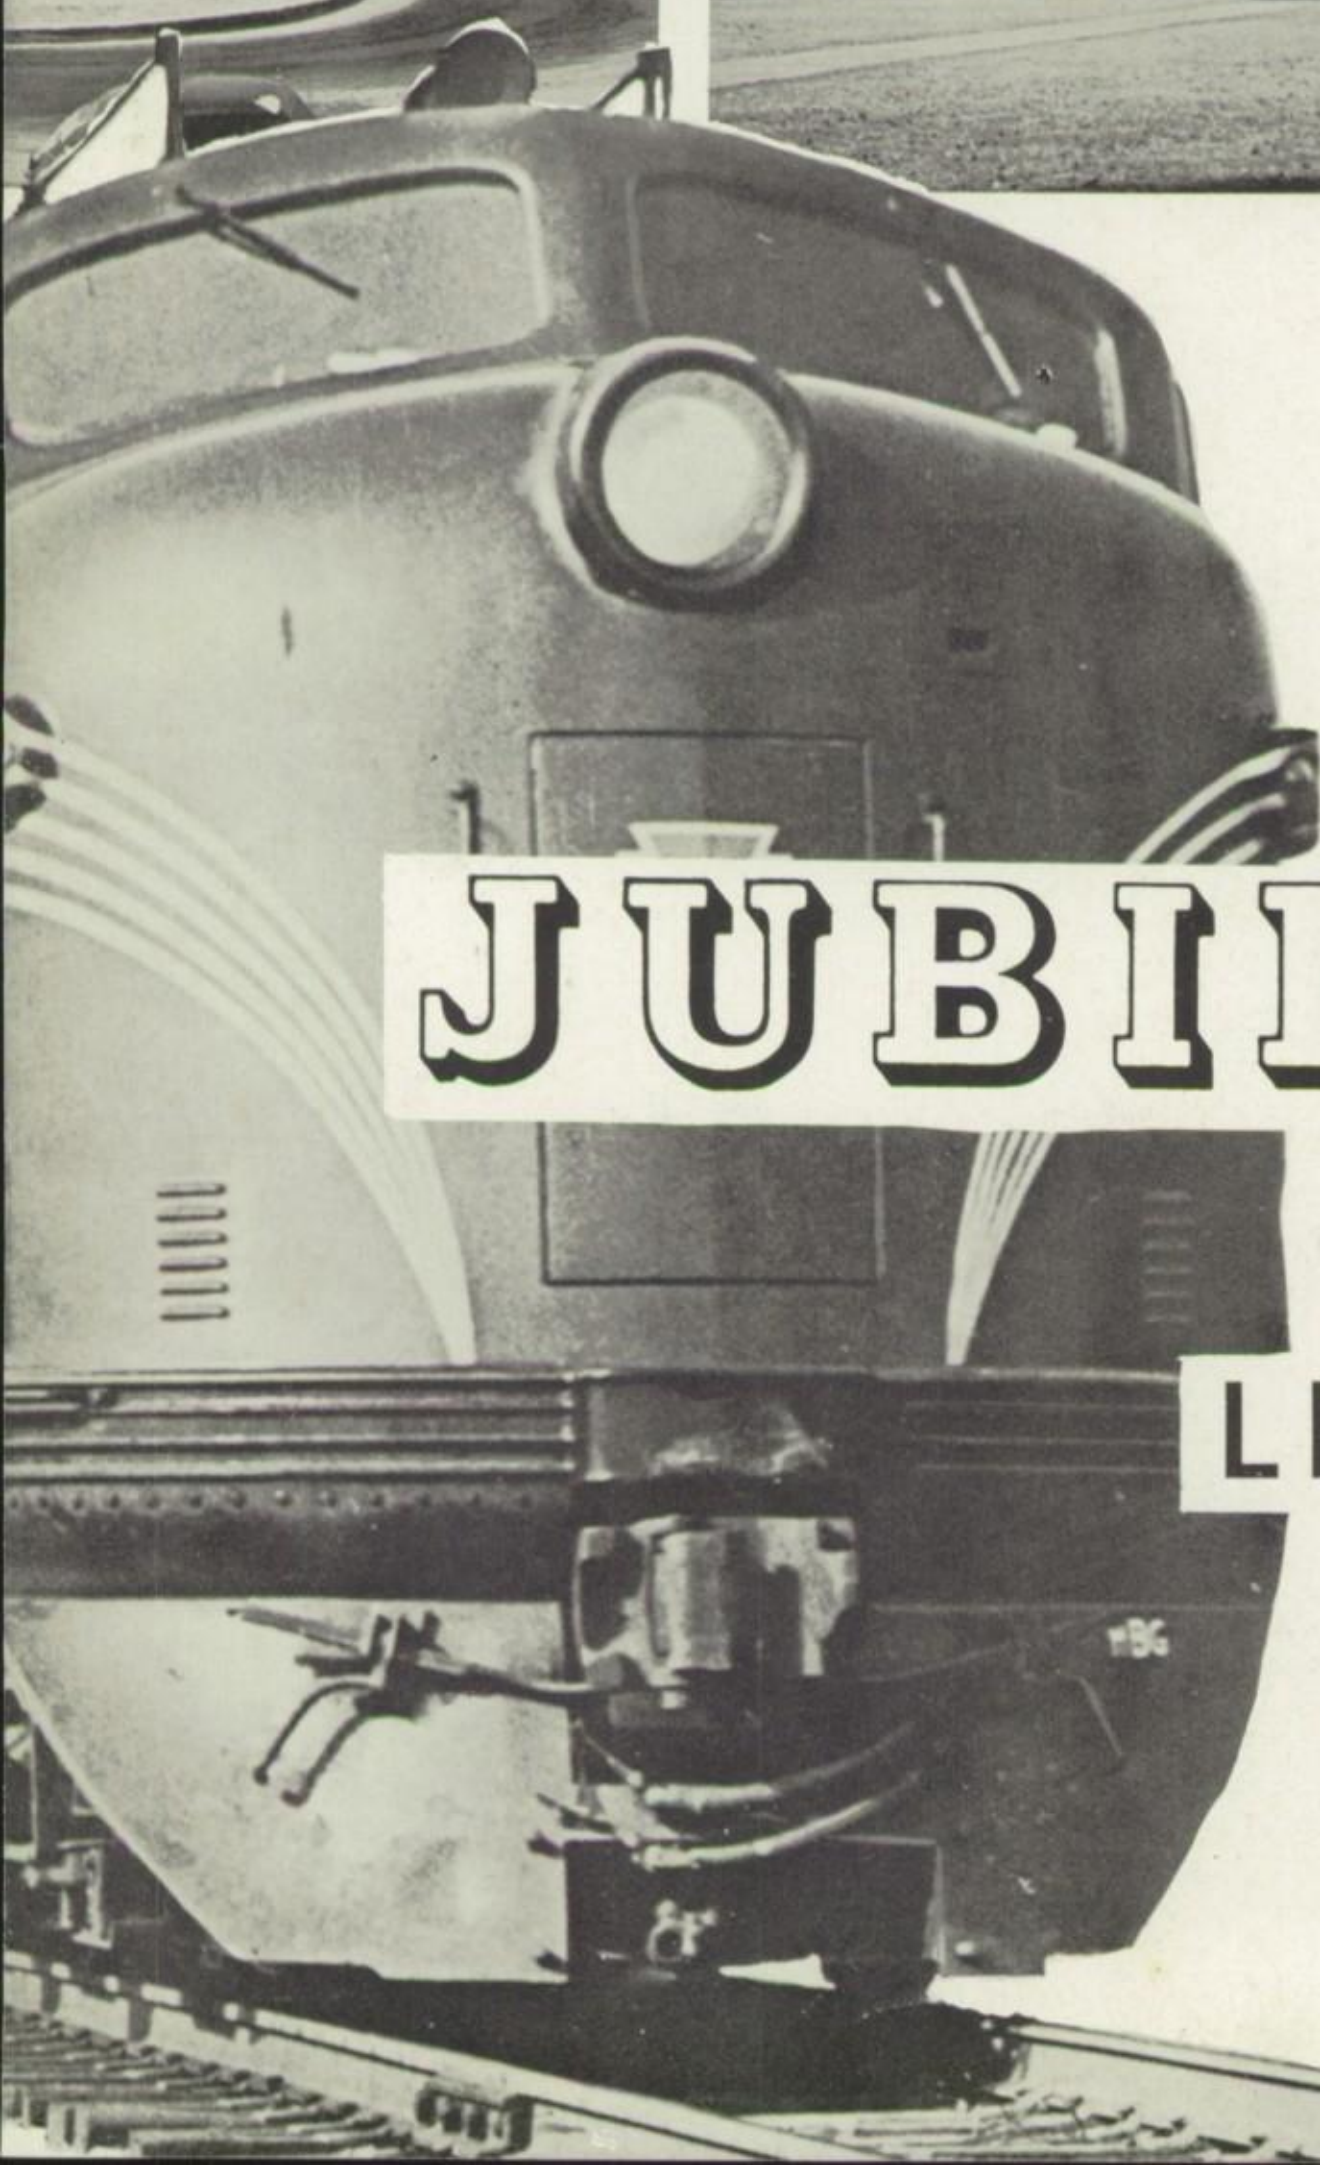

Our Town

At the half-century, a glance back through the years reveals the progress of our school and of our town. In 1900 Lewistown High School had a faculty of 2 members, a student body of approximately 40, and a graduating class of 7. In 1950 Lewistown High has a faculty of 69 members, a student body of 1438, and a graduating class of 176.

JUBILEE

LIMITED

DEDICATION

At the mid-point of a century of intensive research and progress, we must review the advantages afforded us in our own education toward better living. We become so engrossed in the visible, practical application of our high school careers that we fail to recognize the enriching factors of our daily associations within the portals of Lewis-town High School. By the guidance of our faculty we are learning how to live in our ever-changing world.

To our teachers and to the high ideals of our school, we, the class of 1950, gratefully dedicate our volume of memories. When the members of this class have sought their goals and have attained heights of success, the values to which we have dedicated our Lore shall be fully realized.

Our Praises To

Thee We Sing

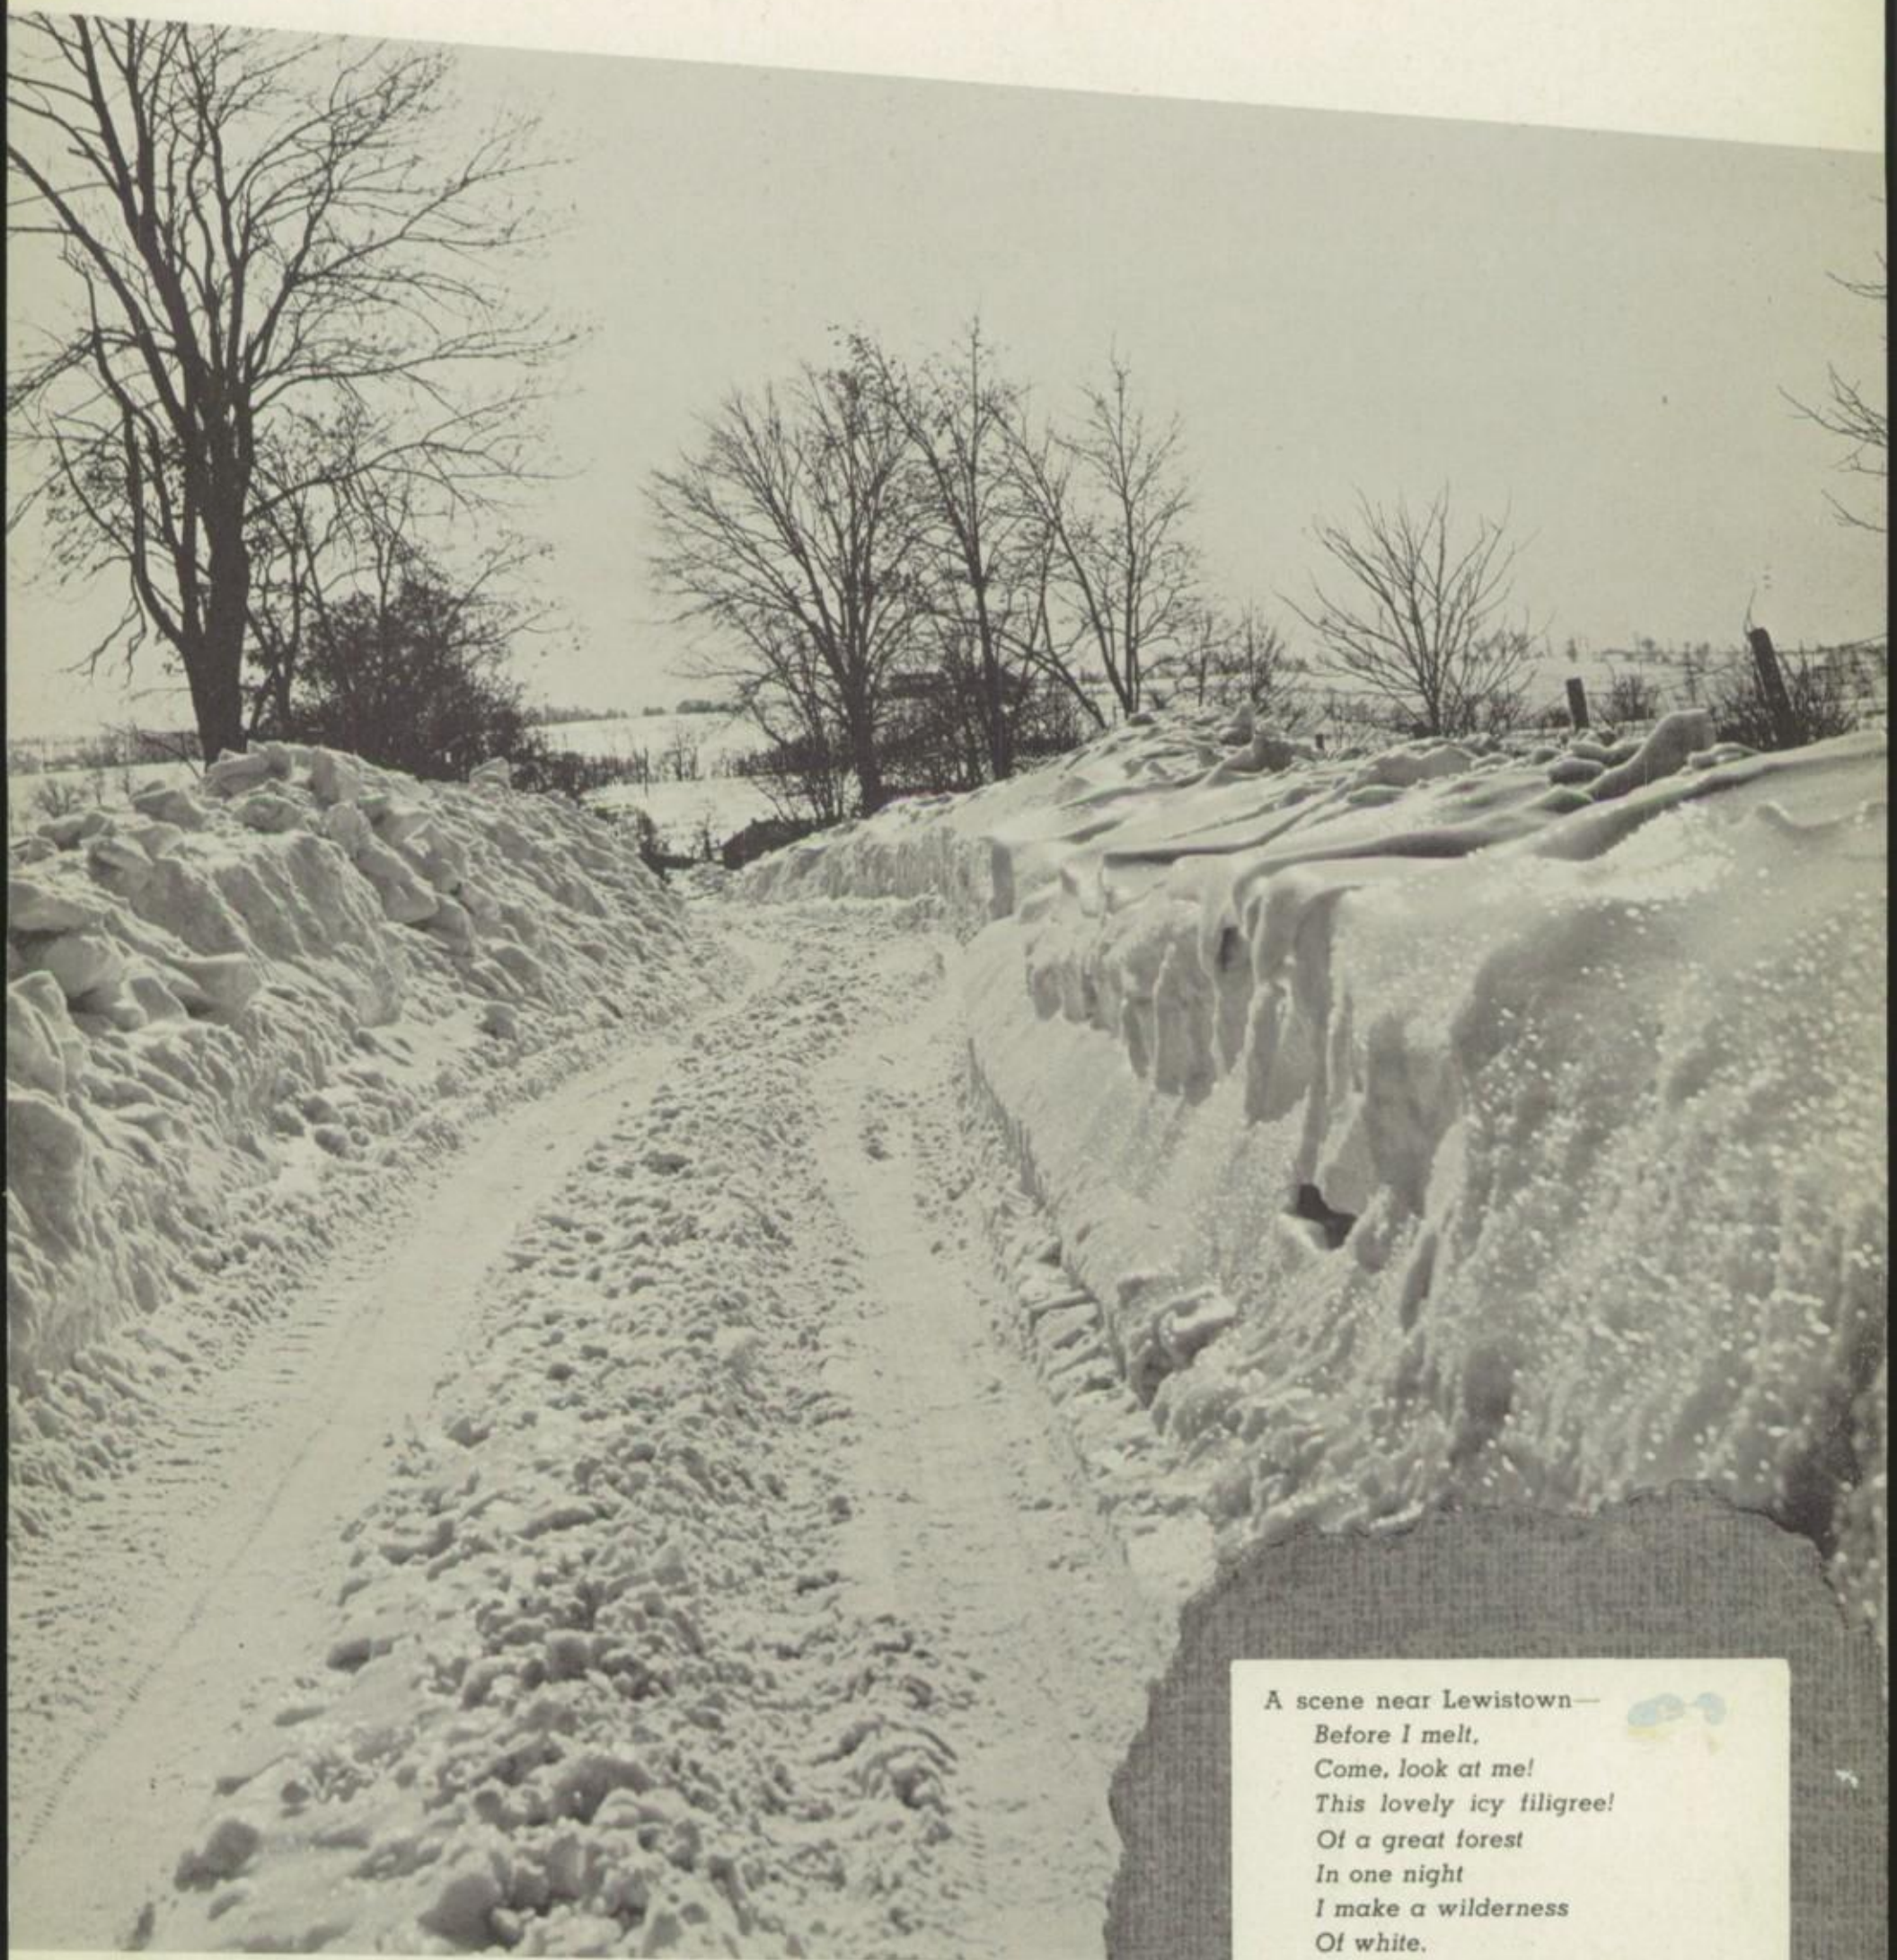

PROGRESSIVE, ENERGETIC . . .

One of the most famous scenic areas in Pennsylvania is the beautiful highway between Harrisburg and Lewis- town, toward our own city. Commonly known as the Lewistown Narrows, it is the Juniata River basin running between twin mountain ranges.

OUR TOWN HAS INSPIRED US

A scene near Lewistown—
Before I melt,
Come, look at me!
This lovely icy filigree!
Of a great forest
In one night
I make a wilderness
Of white.

The Superintendent Speaks

The universal progress in our country during this half-century reflects the growth of free education. Herein is found the hope and safety of democratic institutions. The Class of '50,

vigorous and resourceful, will find itself fortunate to be graduated into a world of power and speed where intelligence and reason will dominate the next fifty years of action.

We Look

One of the five curricula in LHS is the academic, which has for its major purpose the preparation for entrance to college. Since college requirements differ, pupils select and follow in high school a course of study that will enable them to enter the college of their choice.

Seniors are performing experiments in Mr. Howe's chemistry class.

ACADEMIC

Mr. Sicchitano's social studies class derives benefits from visual aids.

Here are shown pupils learning to sketch and to paint in Mr. McKinney's art class. Art may be elected as a credit subject.

TO THE FUTURE

The commercial curriculum provides a practical education for those who desire to be employed as a secretary or bookkeeper in business and professional offices; as a retail sales person, or as a clerk; and in some cases, entrance to collegiate commercial schools.

Commercials seem to be very busy in Mr. Houser's class. Penmanship is necessary for bookkeepers.

The office practice class gains practical experience in the use of modern business machines and business forms under Mr. Fauth's supervision.

In Miss Lack's class the pupils acquire the fundamentals of typewriting.

COMMERCIAL

Here girls are solving problems in a general mathematics class.

GENERAL

It is the purpose of the general course to provide a group of subjects for the pupil who has no determined or particular choice and who is quite undecided. There is a choice of subjects in this curriculum that will meet the needs of most adults, providing they are not engaged in any special field.

As We Plan

HOMEMAKING

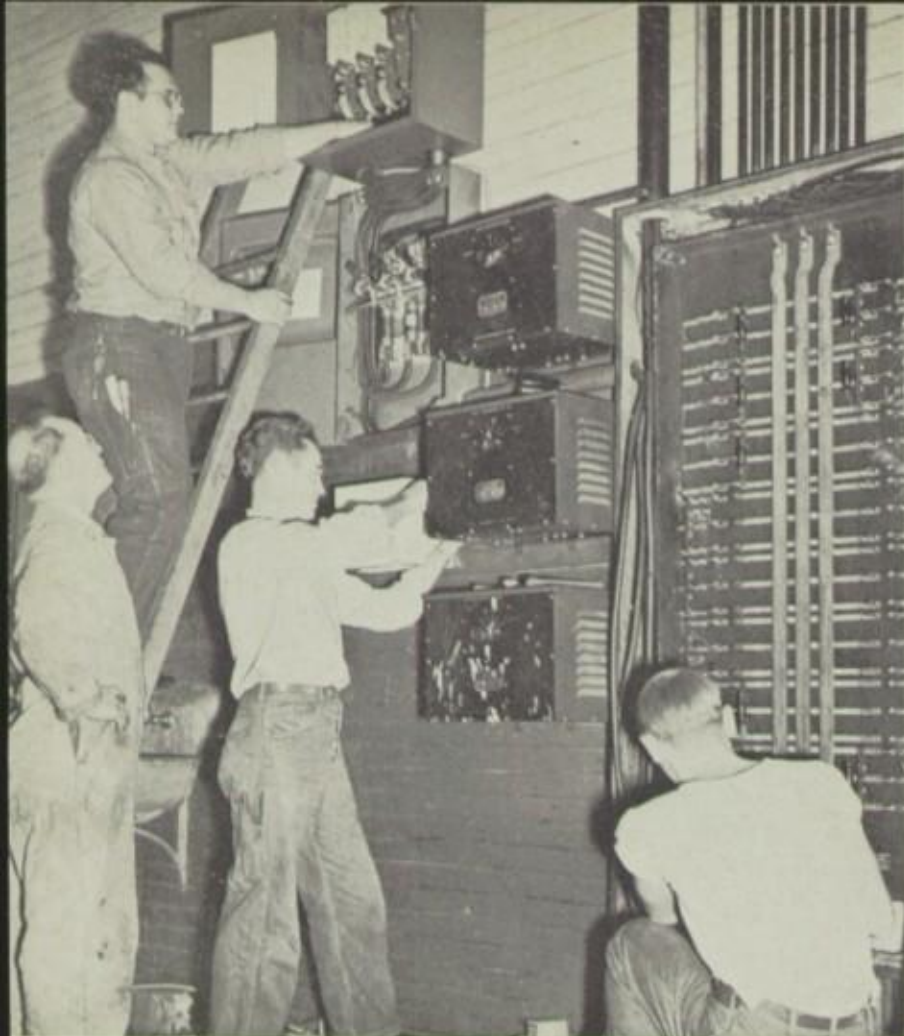

The homemaking or vocational home economics curriculum is intended to give practical training in home arts and certain employment fields. Some of the subjects may be elected by pupils pursuing the academic and general curricula.

In Miss Mitchell's class the girls are preparing lunch. They can promise well-planned and well-balanced meals.

One sees the girls studying patterns and sewing in Mrs. Shaeffer's class.

VOCATIONAL INDUSTRIAL

The vocational-industrial curriculum is designed for boys interested in trade and industrial pursuits. There are five trade shops.

In the Electrical Construction shop, the boys are working on the equipment.

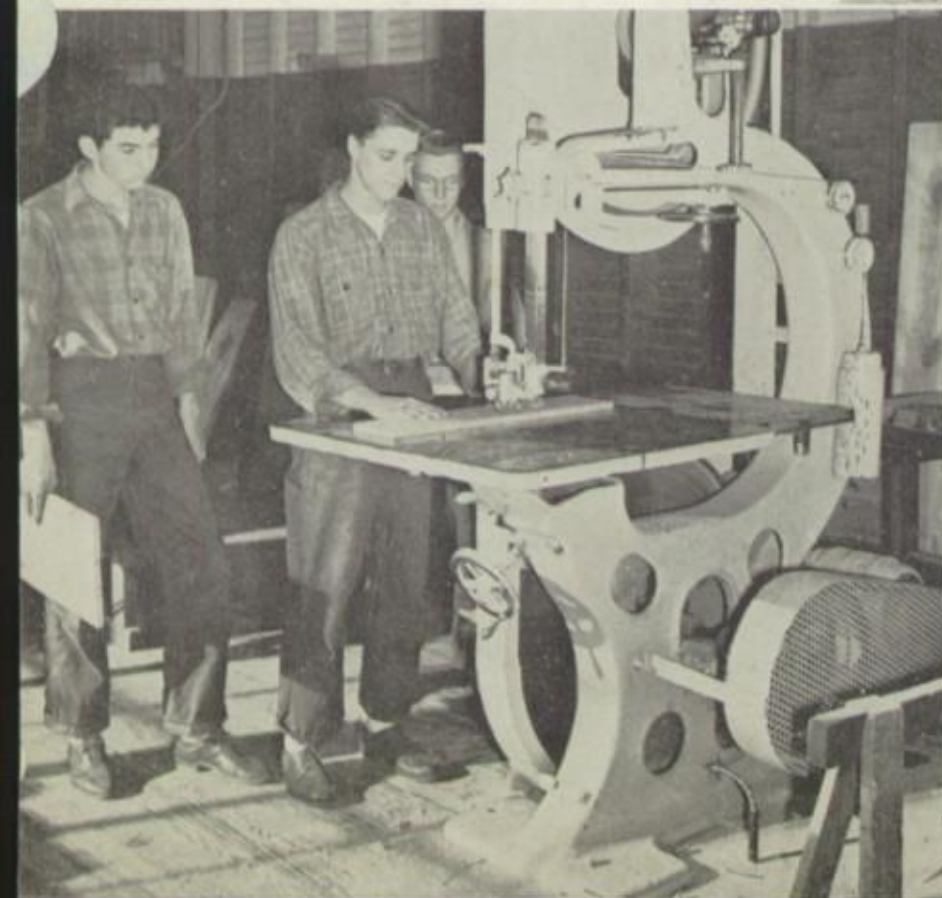

OUR CAREERS

In the Machine shop, pupils learn to operate many machines they will use in industry.

In the Drafting shop, they are trained in the making of blue prints and patterns.

In the Building Trades shop, boys are working with the bandsaw, which is one of many machines used.

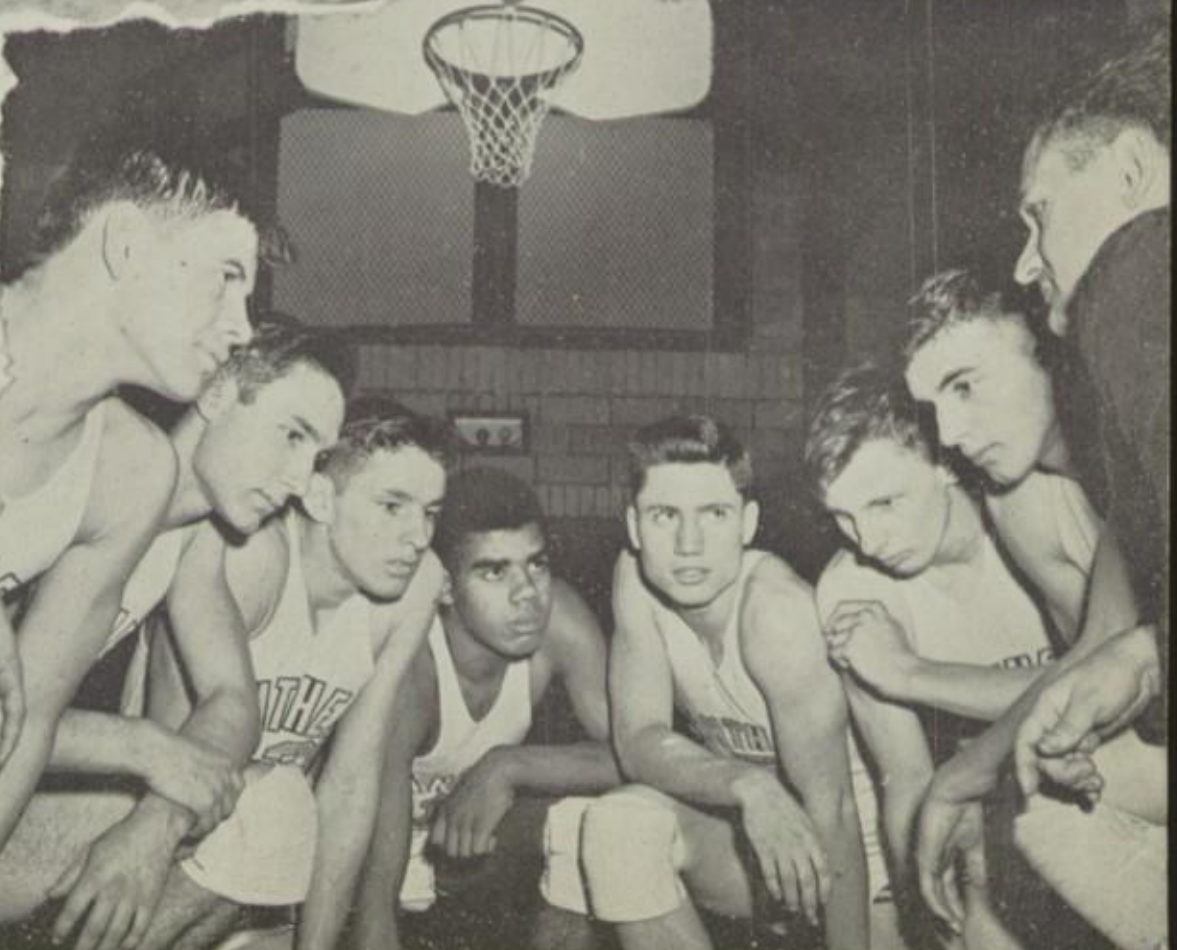

In the Auto Mechanics shop, boys learn to detect and correct mechanical defects in automobiles.

STUDENT COUNCIL

The Student Council is a very important organization of LHS. The group, advised by Miss McCauley, Mr. Riden, and Mr. Rager, meets every other Wednesday.

For the school year, the following officers were elected: Donna Havice, Girl President; Paul Pacini, Boy President; Betty Kumbera, Girl Representative; and Jack Heckert, Boy Representative.

Four members from LHS attended the Coates-

ville Convention this year. Each member visited panel discussions where school problems were discussed.

Among the different activities the Council sponsors banking, plans student dances, and operates the concession stand at the football games. Recently, the group added the Hall Patrol, which the Seniors hope will be a great success.

MR. RICHARD D. SMITH

BAND

This year, 1949-50, brought us the Lewistown High School New Band. In their bright new blue and white uniforms, the members of the band make a splendid appearance. They give a spectacular presentation of drills and of music under the capable direction of Mr. Richard Smith, a newcomer to Lewistown this year. Playing all new marches, they display many formations on the football field at halftime. A good example is the locomotive in "Down by the Station."

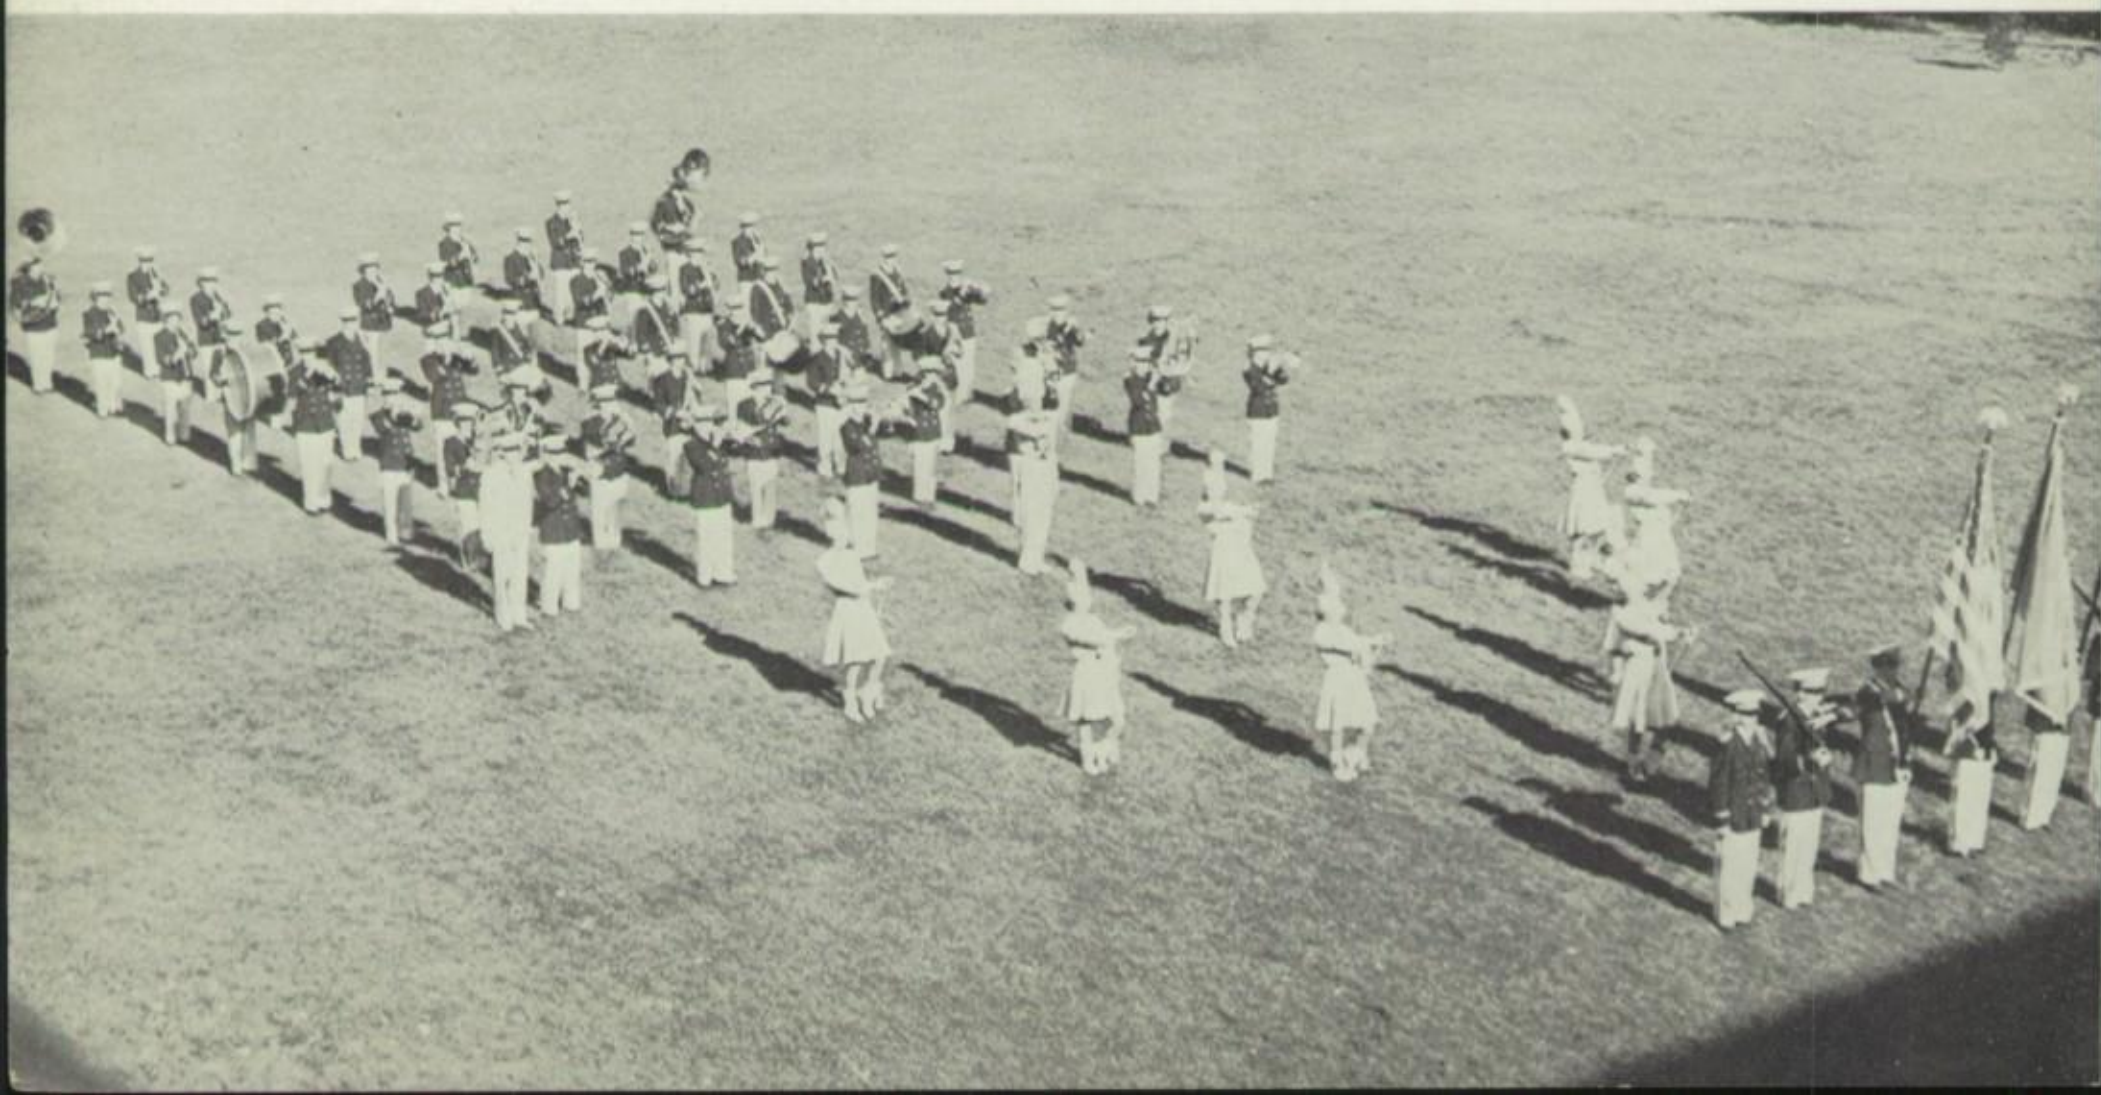

The New Band is certainly a good representative of Lewistown High's half-century of progress as it boards our "Jubilee Limited" to add its melodic note to the rhythmic beat of the locomotive.

TRI - HI - Y

The Beta Tri-Hi-Y had a very successful year with Mrs. Charles Miller as counselor and with the following officers: President, Betty Kumbera; Vice-President, Gladys Arnold; Secretary, Phyllis Mellinger; Treasurer, Vanza Kahler.

Some of the activities were discussions, a swim, a skating party, a Red Cross project, an assembly, and a district rally for Hi-Y and Tri-Hi-Y.

The Delta Tri-Hi-Y started this year under the able leadership of Doris Schultz and these officers: President, Marjorie Pauley; Vice-President, Marlene Wheeler; Secretary, Edith Singley; Treasurer, Theresa Lennartz.

Some of the activities were teen-age discussions, talks on current events, parties, and sending gifts of food and of clothing to a needy family.

FOOTBALL

LEWISTOWN 20—SELINSGROVE 12. Looking green but promising, the L. H. S. Panthers under the able supervision of Assistant Coach Sicchitano conquered the Seals. Mr. Ufema, the head coach, was unable to be present. Two touchdowns by Bill Wagner, one by Kratzer, and two extra points by Olson gave the Panthers their margin of victory.

BELLEFONTE 7—LEWISTOWN 0. L. H. S. lacked necessary scoring punch and failed to capitalize on many breaks as Bellefonte dealt the Panthers their first defeat of the year. Several times the Panthers threatened to push the pigskin across for a tally but failed to do so.

LEWISTOWN 9 — TYRONE 0. For the first time since 1928, the Panthers won a hard-fought contest from a favored Golden Eagles team. A field goal by Jack Olson, a "T.D." by Wagner, and brilliant defensive work by Paul Pacini were the deciding factors.

LEWISTOWN 14—MT. UNION 0. The Panthers won their third game of the year in a hard-fought defensive battle with the Trojans. Both Wagner and Sanchez scored touchdowns and Olson kicked two extra points.

LEWISTOWN 32—STATE COLLEGE 0. A stronger L. H. S. squad defeated a valiant, but out-classed, Little Lion eleven.

DUBOIS 19—LEWISTOWN 13. An inspired Panther eleven fought the conference champions to a standstill in the first half. Two "T.D.'s" by Wagner were the highlights of the game. Pacini received a head injury which side-lined him for the rest of the season.

BLOOMSBURG 21 — LEWISTOWN 14. A tricky T-formation enabled the visitors to edge the Panthers by one tally. Zimmerman, usually a defensive back, showed his ability on the offense by tearing off two touchdowns.

LEWISTOWN 26—DANVILLE 19. The Panthers capitalized on their breaks in a close contest with the Ironmen and "bull-dozed" their way to victory. Kratzer, Allen, and Wagner made touchdowns for L. H. S.

CLEARFIELD 7—LEWISTOWN 6. A 96-yard sprint by Ike Zimmerman was not enough to edge a Clearfield eleven.

LEWISTOWN 20—LOCK HAVEN 6. A "Bannon-to-Sanchez" pass in the second quarter broke the ice for the Panthers as they romped to a 20-6 victory over Lock Haven.

LEWISTOWN 0 — HUNTINGDON 0. Tense rivalry and brilliant football were evident throughout the hard-fought contest. L. H. S. scored in the second quarter, but the touchdown was called back and a penalty was inflicted on Lewistown for being off-side.

Opening the season with an impressive 62-26 win over State College, the Lewistown Panthers went on to win all their pre-league games, a fact which gave Lewistown a 31-game winning streak over a period of two years. Then the Maroon and Steel "Hoopsters" lost their first Mountain League game to Mt. Union 21-23. The Panthers lost but four more games, one to each Mountain League team. The climax of the season was reached when the Panthers defeated a strong Tyrone team at Tyrone 50-40. With this win, the L.H.S. quintet ended the 1949-50 basketball season with a 17-5 record.

Although "Nook" Weaver, Paul Pacini, Jay Cox, Ron Shearer, Jack White, and "Bub" Allen will be lost through graduation, nevertheless, a grand nucleus of Juniors will be on hand to replace them.

We, the Class of 1950, give our whole-hearted thanks to Coach Ufema for a splendid record.

J - V BASKETBALL

Sporting a twenty-two game winning streak that began the previous year, the Baby Panther quintet, under the capable leadership of Joe Sicchitano, started its 1949-50 season on the right side of the ledger. However, the long record of victories was halted in the second encounter by the Selinsgrove Baby Seals.

Lacking experience, the Baby Panthers started slowly, but developed fast as the season progressed. The boys encountered four losses in the pre-season exhibitions, but in the Mountain League schedule the Baby Panthers ranked again as one of the top teams and finished in second place with a record of 15 victories and 7 defeats.

Moving up to the Varsity Squad next year are Griffith, Brumbaugh, Kochenderfer, Lepley, Jones, Straley, Dunn, and Smith. These boys are expected to bolster '51's "Fighting Five."

As Stevenson said, *"It is good to have been young in our youth, and as the years go on to grow older, to travel deliberately through one's ages."*

Class Song

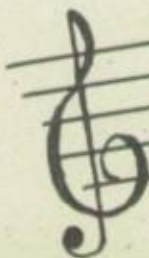

L. H. S. Our toast to you will be
That you remain always the same

We'll faithful be to memories
Leaving you and classmates, too, it's true
That when we are not near, but far
We'll always cherish you.

L. H. S. Our memories are here
With all the rest that we love best
And friends we knew will be here, too
When someday our hearts will stray back here
We'll sing your praise through endless days
But now we bid adieu.
